Happy New Year

Best wishes for 2021

Fully engaged energy will get through the next hour

Fully engaged energy will get through the next day

Fully engaged energy will get through the next week

Fully engaged energy will get through the next month

Fully engaged energy will get through the next year

Fully engaged energy, not time, is your most precious resource

Make sure you have the greatest quantity of physical energy, the highest quality of emotional energy, the clearest focus of mental energy and the maximum force of spiritual energy
