Happy New Year

Best wishes for 2021

Fully engaged energy will get through the next hour Fully engaged energy will get through the next day Fully engaged energy will get through the next week Fully engaged energy will get through the next month Fully engaged energy will get through the next year Fully engaged energy, not time, is your most precious resource

Make sure you have the greatest quantity of physical energy, the highest quality of emotional energy, the clearest focus of mental energy and the maximum force of spiritual energy
